This is the last newsletter to be emailed. For the rest of the 2023-2024 season, newsletters will be posted on the WHSGA website by the 5th of every month. Please make sure that you are visiting the website to get the most current information. You must be a member to view the newsletters. You have until February 1st, 2024 to become a member but you won't be able to get all of the information you'll need on the website if you wait that long.

Just a reminder to refresh your memory on WIAA Rules Publications.

Message from Melissa Gehring

Just a reminder that we will have a second virtual meeting opportunity with the crew from Score Flippers regarding the INSIGHT software scoring and league management software. This meeting will be facilitated as a question and answer session for those who have been experimenting with the program and have specific questions. This meeting will be held on November 13th at 7pm and can be accessed with the link below. A recording of the meeting will be available on the WIAA website by Wednesday, November 15th. Have a great start to the 2023-24 gymnastics season!

Topic: Scoreflippers/Insight Q&A Meeting

Time: Nov 13, 2023 07:00 PM Central Time (US and Canada)

Passcode: 904804

Gymnastics Coaches and Athletic Administrators: To help us create the best experience for our Wisconsin high school gymnasts, we are very excited to announce our partnership with [ScoreFlippers](#). ScoreFlippers will be assisting with the production of the state meet in Wisconsin Rapids March 1-2, 2024. We will also be using their [INSIGHT](#) software for meet scoring for Sectionals and the State competition. As part of this sponsorship and state meet arrangement in its first year, ScoreFlippers will be licensing all Wisconsin high school gymnastics programs to use, if they so choose, their INSIGHT software throughout the 2023-24 season **free of charge**. This allows schools to use and get acquainted with the software during regular season duals and invitationals in 2023-24, in preparation for the WIAA tournament series. In the near future, all coaches will be receiving an email from INSIGHT@scoreFlippers.com with more information on how to get access to the software. Be on the lookout for that communication, and feel free to log-in and look around!

We think you will find this software user-friendly and accessible. It is web-based and can be accessed from a variety of different devices. ScoreFlippers also provides a comprehensive library of [support documents](#) on their website for coaches and meet managers to access around the clock.

Important Dates:
